TK2009-1

FEATURES

- Made from light weight .062 Aluminum
- Modular system supports most configurations
- Durable textured black powder coat finish
- Ventilation slots for top and bottom surfaces

- 90° inside/outside corner capable
- Mechanical attachment to monitor frame
- Splice plates and hardware provided
- Made in the USA

The RCI Custom Products **TK™-N+ Series** Trim Kit is an easily manageable modular system, designed to provide a simple yet visually appealing edge trim for most commonly configured Absen N Plus monitor walls. The **TK™-N+** provides a professional, finished look to any Absen Video Wall system, and helps to hide unsightly cabling and gaps associated with the install. Simply piece together the vertical and horizontal components necessary to surround your video display with the provided splice plates and screws. The perfect way to accentuate the most important part of you AV install!

A & E SPECIFICATIONS

*The custom trim kit shall be an RCI Custom Products Model **TK™-N+**. Components shall be custom selected and assembled utilizing the necessary TK™-N+ parts (SP, CB, IB, OB, L1S, L1V, L1VOB, L2S, L2V, L2VOB, L3S, L3V, L3VOB, L4S, L4V, L4VOB, L5S, L5V, L5VOB). The unit shall be fabricated from 0.062" Aluminum. Finish shall be durable Powder Coat Textured Black. Assembly hardware/tools for installation shall be provided.*
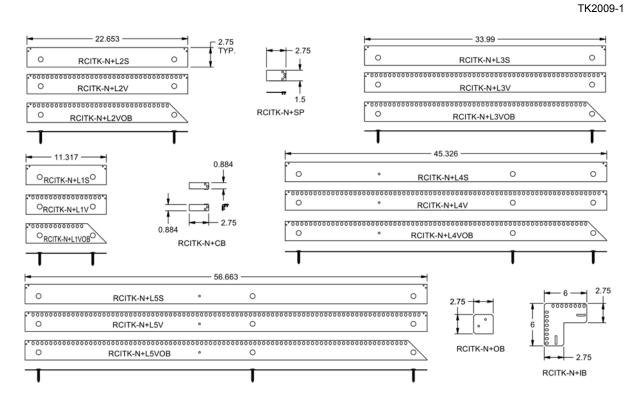

P/N	Description
TK-N+CB TK-N+SP	Corner Bracket -- 2.75"x0.844"x0.844"x0.062, ≈0.028lb Splice Plate -- 2.75"x1.5"x0.062", ≈0.025lb Each includes (4) Nylon Push-in Snap Rivets
TK-N+IB TK-N+OB	Inside Bend Plate -- 6"x6"x0.062", ≈0.137lb Outside Bend Plate -- 2.75"x2.75"x0.062", ≈0.045lb
TK-N+L1S TK-N+L1V TK-N+L1VOB	11" Solid Panel -- 11.317"x2.75"x 0.062", ≈0.195lb 11" Vented Panel -- 11.317"x2.75"x 0.062", ≈0.183lb 11" Vented Miter Panel -- 11.317"x2.75"x 0.062", ≈0.164lb Each includes (2) Nylon Push-in Retainers
TK-N+L2S TK-N+L2V TK-N+L2VOB	22" Solid Panel -- 22.653"x2.75"x 0.062", ≈0.384lb 22" Vented Panel -- 22.653"x2.75"x 0.062", ≈0.358lb 22" Vented Miter Panel -- 22.653"x2.75"x 0.062", ≈0.339lb Each includes (2) Nylon Push-in Retainers
TK-N+L3S TK-N+L3V TK-N+L3VOB	34" Solid Panel -- 33.99"x2.75"x 0.062", ≈0.572lb 34" Vented Panel -- 33.99"x2.75"x 0.062", ≈0.533lb 34" Vented Miter Panel -- 33.99"x2.75"x 0.062", ≈0.522lb Each includes (2) Nylon Push-in Retainers
TK-N+L4S TK-N+L4V TK-N+L4VOB	45" Solid Panel -- 45.326"x2.75"x 0.062", ≈0.764lb 45" Vented Panel -- 45.326"x2.75"x 0.062", ≈0.711lb 45" Vented Miter Panel -- 45.326"x2.75"x 0.062", ≈0.712lb Each includes (3) Nylon Push-in Retainers
TK-N+L5S TK-N+L5V TK-N+L5VOB	56" Solid Panel -- 56.663"x2.75"x 0.062", ≈0.957lb 56" Vented Panel -- 56.663"x2.75"x 0.062", ≈0.890lb 56" Vented Miter Panel -- 56.663"x2.75"x 0.062", ≈0.871lb Each includes (3) Nylon Push-in Retainers
