

FEATURES

- Made from light weight .062 Aluminum
- Modular system supports most configurations
- Durable textured black powder coat finish
- Ventilation slots for top and bottom surfaces
- 90° outside corner capable
- Mechanical attachment to monitor frame
- Splice plates and hardware provided
- Integrated cable channel/management
- Made in the USA

The RCI Custom Products **TK™-Acclaim+ Series** Trim Kit is an easily manageable modular system, designed to provide a simple yet visually appealing edge trim for most commonly configured **Absen Acclaim Plus** monitor walls. The **TK™-Acclaim+** provides a professional, finished look to any Absen Video Wall system, and helps to hide unsightly cabling and gaps associated with the install. Simply piece together the vertical and horizontal components necessary to surround your video display with the provided splice plates and screws. The perfect way to accentuate the most important part of your AV install!

A & E SPECIFICATIONS

*The custom trim kit shall be an RCI Custom Products Model **TK™-Acclaim+**. Component parts (BP, BP-OB, CB, LS, LV, LV-OBL, LV-OBR, SS, SV, SV-OBL, SV-OBR) shall be fabricated from 0.062" Aluminum. Finish shall be durable Powder Coat Textured Black. Assembly hardware/tools provided.*
