RLP1215L Pictured

FEATURES

- Brilliant full color LED graphics panel
- 12 AC outlets, 15 amp 120V w/ground lug
- Durable long lasting LED Illumination
- EIA 1RU
- Sturdy, aluminum and steel construction
- Black Powder Coat Chassis
- Switchless - prevents accidental shutdown

- 12 rear facing AC outlets, 15 or 20 amp 120V w/ground lug
- Available with optional surge and EMI/RFI filtering
- UL Listed 12V power supply included
- Perfect for Corporate Branding
- Reinforces Service Contact Info
- Made in the USA

RCI Custom Products **RLP Series Illuminated Logo Panel Power Strips** combine professional full color graphics for your corporate brand with a 12 outlet Tripp Lite™ power strip, all in one EIA rack space. Transform your company brand, logo and artwork into brilliant, full color illumination. Illuminated Power Strip panels turn any A/V equipment rack into an eye-catching, high-tech marketing piece. Standard 15 amp units, or 15 and 20 amp units with surge protection and EMI/RFI Filtering. Cool, long-lasting UL Listed LED lighting ensures years of fail-proof service. Simply provide camera-ready art drawn to size (see spec) in any popular file format.
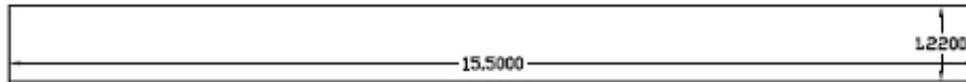

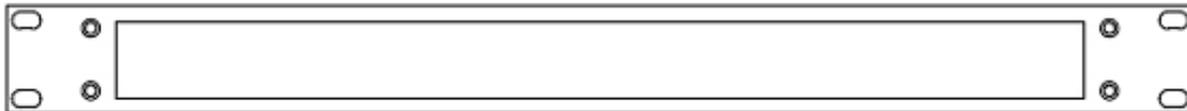

A & E SPECIFICATIONS

The illuminated rack panel shall be an RCI Custom RLP Series (1215L, 1215L-S, or 1220L-S, where "S" suffix indicates Surge protection and EMI/RFI Filtering.). Front Panel shall measure EIA 19"x1.75 for 1RU. Unit shall provide 12 AC outlets at 120 volts and (15 or 20) amps, and shall include a circuit breaker on the rear panel with a 15ft long AC cord. Power strip and Logo compartment shall be finished in Black Powder Coat. Illumination shall be UL Listed LED lamp. LED power supply shall be UL listed 12VDC. Graphics panel shall be created per design specification provided by consultant or customer.
